

# Anchor Bay Community Foundation Donor Form

Help us put our programs to work for our neighborhoods.

Join us.

Be our goodwill ambassador, spread the word, and help us grow by giving.

## **Making a difference in the community**

The Anchor Bay Community Foundation was formed nearly a decade ago to raise and distribute financial and other resources, to promote lifelong learning for children and families, to enhance and strengthen cultural, social, and educational opportunities for the Anchor Bay community including the greater New Baltimore and Chesterfield areas.

Contributions to the Anchor Bay Community Foundation Endowment Fund may be eligible for the Michigan Community Foundation Tax Credit and are also deductible for Federal income tax purposes.

When making your donation you may choose special areas to be the recipient. You may make an unrestricted donation, a memorial or honorarium, scholarship support, or donate to a new fund. Some of the funds are:

- **Mac Fund Book Grant** - Awarded to a student or students for the purchase of textbooks seeking a higher education and meeting scholarship requirements.
- **Mac Fund for the Future** - Awarded as the need arises—when events or circumstances that are impossible to foresee arise—for a student residing in the Anchor Bay School District seeking scholarship or training opportunity. That student will have demonstrated exemplary achievement during four years of high school and the ability to meet scholarship requirements.
- **Marilyn's Kids Fund** - This fund was established in memory of Anchor Bay Schools' employee Marilyn Moos Stern. Upon her death in 2003, Marilyn's friends honored her love of children with this program, which will provide scholarships for Anchor Bay School District primary school children in need of special summer, or remedial programs.
- **Justin Mello KidPrint** - Justin's fund supports supplies and equipment for the ongoing child identification program administered by the New Baltimore and Chesterfield Township Police Departments. Data from each child is integrated into the departments' databases for the quick recovery of a missing child. The program is provided free-of-charge to schools and community events and is also used for those suffering from Alzheimer's.
- **Bette Dunlap Carrothers Vocal Music Scholarship** - Donors will help establish a permanently endowed \$1,000 annual scholarship for a student who wishes to pursue further education in vocal music. Named for music educator Bette Dunlap Carrothers, it will be awarded to an Anchor Bay High School graduating senior who is selected following audition and meeting scholarship requirements. The Mac Fund administered by the Anchor Bay Community Foundation has provided start-up funds.
- **Anchor Bay Community Foundation Instrumental Music Scholarship** - Donors to this fund will help to establish a permanently endowed \$1,000 annual scholarship for a student who wishes to pursue further education in instrumental music. The Mac Fund administered by the Anchor Bay Community Foundation has provided start-up funds.
